THE WEDDING EXPERIENCE

Welcome!

I'm Jozie and I believe this is the beginning of something great!

I believe that photography is done best when clients have a relationship with their photographer and fully trust them. This is how I have guaranteed and delivered fun, beautiful experiences and galleries to the amazing families, couples and individuals I have worked with over the years.
Keep reading to get to know me and see if we'll be a great fit!

LET'S BE FRIENDS:

This is what you need to know...

I'm a photographer, but I'm also a wife, mom, sister, daughter and someone who truly believes God's given me this job because it allows my creative gift and passion to have purpose!

MY WHY | IT'S MORE THAN JUST A JOB

MY GIRLS

I believe that every human has gifts and passions for a purposeful reason. I am so thankful my girls get to grow up watching their Mama use her abilities in a creatively fulfilling way, to help support our family reach our dreams, financial goals, and have purpose! Us girls can do anything!

RELATIONSHIPS

I believe that life is all about the relationships we have. I hold in high regard, the growing, nurturing and celebrating the connections with special people in our lives; and consider it a great honor to witness and capture that same love between others.

MEMORIES

I believe that we often don't know the value of a moment until it becomes a memory. Because photographs freeze moments in time forever, the value in getting to relive those memories in your mind is priceless. How wonderful it is to help create and capture those magical moments & family heirlooms.

I'm South African born and raised.

I immigrated to the USA in 2012, my extended family still live in South Africa.

I'm married, and my husband and I are raising two beautiful daughters.

We also own two Culvers restaurants in SWFL.

I love diy home projects.

Give me a miter saw, a nail gun & some paint any day.

Traveling more is a big motivator and goal for us in life.

If we were given a million dollars, none of it would be spent on a bigger house, nicer car or more material possessions - I'd travel to all the places on my bucket list!

I started this business as a mom who wanted to earn a living while having flexibility to be with my kids.

All these years later I still truly LOVE what I do!

MY PROMISE

You know you want great images...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what I promise to give you. Over and over again, the families and couples I work with rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. Creating comfortable, joyful and genuine client experiences is what I specialize in!

Jozie was not only immensely fun to work with, but she also exuded a level of professionalism that instantly put us at ease.
Her approach to photography is a perfect blend of creativity and technical expertise.

Jozie has a unique ability to capture the essence of the moment, and this was evident in every photo she took. Her keen eye for detail and composition resulted in magical photos that we could only have dreamed of.

She managed to capture all the emotions, the laughter, and the love that surrounded us on our wedding day.
Each photo tells a story, and looking through them is like reliving the day all over again.

What stood out most was how Jozie made us feel throughout the day.
Her fun and engaging personality made us feel comfortable in front of the camera, which is no small feat.
She directed us with ease and captured candid moments without being intrusive.

Her ability to blend into the background while still being in the right place at the right time is truly commendable.

We are beyond grateful to Jozie for her incredible work.
The photos are not just images; they are priceless memories that we will cherish forever.

If you are looking for a photographer who will capture the heart and soul of your special day, Jozie Jennings is the person for the job.

We highly recommend her to anyone in search of a talented and dedicated wedding photographer

frequently asked questions:

WHAT IS YOUR SHOOTING STYLE?

My goal when delivering your wedding day gallery, is for you to look at the photos and be taken back to magic of your special day. I'd love for you to remember all the little details you spent so much time and effort in planning. I don't chase trends - so your gallery will be a classic, timeless memory to look back on every year as you celebrate your love and commitment to one another. I'll be your helper, your water or tissue-grabber, the fly on the wall, and the director when it comes to portraits. You'll receive a variety of posed and candid photos.

WHAT IS YOUR EDITING STYLE?

I love light and bright images, and more true-to-nature backgrounds and edits.
This means I don't have crazy photoshopped skies, or filtered faces and alteration of bodies. (I do edit some minor insecurities like acne, scars, minor sunburns)
The goal is for you to love the images of you and your loved ones authentically, as you are!
My edits enhance what already exists, and is already beautiful.

HOW DO I SECURE MY DATE?

Once you've decided to work with me, and filled out your contact form; I'll get all the details of your big day, and create your contract.
You'll need to pay a non-refundable retainer of 25% to officially secure your date.

HOW LONG WILL IT TAKE TO RECEIVE MY IMAGES?

My typical turn around time for your complete gallery is within 2 weeks of your wedding date for elopement style coverage, or within a month of your wedding date for full day coverage! You will receive a link to your gallery and will be able to download all your images in full resolution on any device. With permission, I share a sneak peek to the blog or socials within 1-3 days of your session.
